I wish to express my appreciation for the fine hospitality extended to me during my recent visit [REDACTED]. I especially want to thank you for the dinner you hosted on October 1, 1982, and for your excellent efforts related to the preparations and arrangements for the visit which I felt went very smoothly and which was, to me, both enlightening and productive. I particularly enjoyed the opportunity to meet with you again and exchange views on how we can best increase our already fine level of cooperation.
